Two Large Event Buildings

The Morton Building is 13,000 square feet and seats up to 800 people for receptions. It may be rented in 2019 for a fee of \$2000. The Pioneer Building, which is 5,600 square feet and seats up to 400 people for receptions, is priced at \$1000 for 2019. Both buildings are climate controlled and include free Wi-Fi.

Extra Time to Set-Up Your Event

The rental period runs from 10am the Thursday prior to the event to 10am the Monday following. Additional days, if available, may be added for an additional fee.

Tables, Chairs, and Staging Offered

Building rental includes the use of black folding chairs and eight-foot tables. Staging is available in the Morton Building for an additional \$300 and in the Pioneer Building for \$100.

Discounted Camping Sites Available

A block of camping sites may be reserved for the event, with a special 10% discount given to those visiting for a reception held at the park.

Space for On-Site Ceremony Available

The grounds of the park provide plenty of green space for an outdoor ceremony, reception, or cocktail hour. Speak with a member of the park staff for fees and ideas.

Flexibility to Create the Ideal Reception

The park works with several caterers and rental companies each year and is happy to recommend area services. Our location is located only 15 miles from Iowa City & Cedar Rapids.

*We are first and foremost an RV Park and our campers must be our priority. With this in mind, **we do not book receptions any sooner than one year prior to the event.** If there is a certain date that interests you, please feel free to keep in contact with us regarding your special event.*

All set-up and clean-up is the responsibility of the renter. Alcohol may be given away but not sold and groups must provide their own bartenders and licensed caterers.

Quiet hours at the RV Park, begin at 10:00 pm and last until 6:00 am. Please keep this in mind when planning your event.

A deposit of \$250, due upon contract signing, secures the specified event date. After the reception, if the building and surrounding grounds are returned in the condition they were found, this deposit will be returned.
